In determining the total annual economic impact of the rule under subsection (a)(3), the agency shall consider the annual economic impact on all small businesses beginning with the first twelve (12) month period after the rule is fully implemented. The agency may use actual or forecasted data and may consider the actual and anticipated effects of inflation and deflation. The agency shall describe any assumptions made and any data used in determining the total annual economic impact of a rule under subsection (a)(3).

(c) The agency shall:

(1) publish the statement required under subsection (a) in the Indiana Register as required by IC 4-22-2-24; and
